American Cancer Society

Relay for Life 2010

Background Information

In 1985, Relay For Life was started by Dr. Gordy Klatt when he circled a track for 24 hours to raise money for the American Cancer Society. Today, there are over 3 million people worldwide that participate in Relay for Life. The event takes place in 5,000 communities in 20 countries. Relay for Life is the world's largest nonprofit fundraiser.

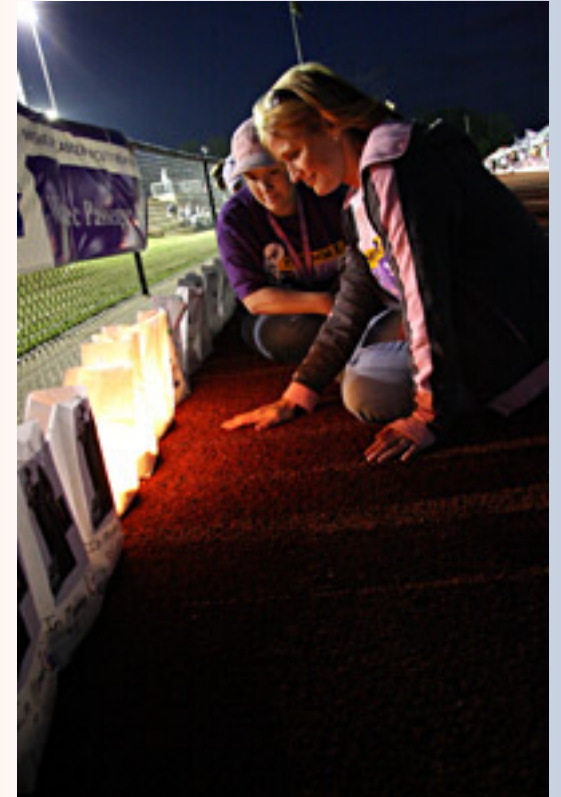

Relay for Life- Bulloch County

Time and place:

The event begins at 7 p.m. where team members take turns walking around the track throughout the night.

The Bulloch County 2010 Relay For Life is April 16-17 at the Kiwanis Ogeechee Fairgrounds.

Relay is a donation event. Each registered team will pay a registration fee and attempt to raise as much money as possible.

The money collected helps support the American Cancer Society's various programs and services.
